"HOW TO TRAINING DVD" (See detailed discription below) (Reg. 99.00) x \$79.99 =

This video will take you through a variety of components that contribute to a successful and powerful program. The video is of high quality and has been professionally edited. The cover is a full color case. There are several components to the video; 1) Accident Reenactment, 2) Program Overview 3) How to Stage in Your Community and 4) Public Service Announcements. Steve Sabol from NFL Films will take you through the detailed steps while following along in the "how to manual". Actor Daniel Roebuck has prepared several "Every 15 Minutes" PSA announcements pre and post events for your community. The documentary can be extremely helpful if you are looking to implement the program in your community or as a stand-alone educational piece.
